

Display Board A1 Front

841 x 594 mm

Place your design within '**Artwork**' layer and **delete** '**Guide**' layer once finished.
Failure to remove guide layer will result in template printing over artwork design.

Please ensure:

- Colour: CMYK (RGB will be converted)
- Fonts: Embedded or converted to outlines
- Image Resolution: 300dpi or higher
- Crop marks and 3mm bleed are included
- Accepted format: PDF (one file)

Please note 5mm drill holes will be drilled 18mm from edges to hole centre. Ensure orientation of artwork is supplied the right way up for selected drill holes to be placed in the correct corners.

Finished Size - This is the finished size of the product once trimmed.

Safe Area - We recommend keeping text and images out of the grey area, remaining in white box.

3mm Bleed - Please extend your artwork into the bleed if you are using full colour or imagery in the background. Anything within this area will be removed once trimmed.

Drill Hole Guide - These circles indicate where the 5mm holes will be drilled if selected as a finishing option. Please make sure text within your design does not overlap this area.

Display Board A1 Back

841 x 594 mm

Place your design within '**Artwork**' layer and **delete** '**Guide**' layer once finished.
Failure to remove guide layer will result in template printing over artwork design.
