

Display Board A4 Front

210 x 297mm

Place your design within '**Artwork**' layer and **delete 'Guide'** layer once finished.

Failure to remove guide layer will result in template printing over artwork design.

Please ensure:

- Colour: CMYK (RGB will be converted)
- Fonts: Embedded or converted to outlines
- Image Resolution: 300dpi or higher
- Crop marks and 3mm bleed are included
- Accepted format: PDF (one file)

Please note **5mm drill holes will be drilled 18mm from edges to hole centre**. Ensure **orientation of artwork is supplied the right way up** for selected drill holes to be placed in the correct corners.

Finished Size - This is the finished size of the product once trimmed.

Safe Area - We recommend keeping text and images out of the grey area, remaining in white box.

3mm Bleed - Please extend your artwork into the bleed if you are using full colour or imagery in the background. Anything within this area will be removed once trimmed.

Drill Hole Guide - These circles indicate where the 5mm holes will be drilled if selected as a finishing option. Please make sure text within your design does not overlap this area.

Display Board A4 Back

210 x 297mm

Place your design within '**Artwork**' layer and **delete 'Guide'** layer once finished.

Failure to remove guide layer will result in template printing over artwork design.

Please ensure:
