

RETURNING TO SCHOOL CORONAVIRUS ESSENTIALS

The Coronavirus outbreak has majorly transformed school life for parents, teachers and children. This period of disruption has presented many challenges for the education sector, from safeguarding children to supporting parents and maintaining teachers well-being.

Soon, freedom of movement will allow the country to slowly return to normality, with institutions and schools gradually reopening. However, it is unlikely to be learning as usual, with social distancing and hygiene measures likely to be practised until the end of the year. This means schools will require numerous health and safety products to ensure the safeguarding of their staff and pupils.
